End Of Another Year!

Trying to raise support for our usual year-end (reward & incentive) programs has been very difficult but we are incredibly grateful that through the support of those who gave, we were able to bless our volunteers with a restaurant meal, a bag of goodies & a small financial gift. These people give so much & it is wonderful to be able to give something back!

Although we share the unconditionally accepting & restoring love of God with the children we work with, we also teach them that it is commitment, diligence, education, hard work & personal development that enable us to be contributing members of society who ultimately reap the rewards of our efforts.

To this end, we reward those children who have participated most actively in our life-skills activities, who have persevered, in spite of their circumstances, to do better & to be better & those who have in turn given back of themselves to their own peers & community, with gifts that they will enjoy for themselves & inevitably share with their families. The photo's on the right don't do justice to the joy we saw in the hearts of those children when they received these gifts!

Our "regular" weekly programs have come to an end for the rest of the year (summer & school holidays) but we stay open to keep covering the basics (food, etc) to those who need it, our Community Care Workers will still be keeping tabs on the OVC's they care for, & some of us will be busy wrapping up the admin for the year & busy processing & preparing to meet the needs of the initial 169 OVC's on our School Support Program for 2012 for which we still have a large need of supplies.

Thank you all for your support & interest over the past year & we would like to wish you a blessed Christmas holiday & a prosperous New Year!
